

A stylized graphic of a triathlete in motion, composed of bold, colorful shapes. The figure is primarily orange and pink, with a blue circle for the head. The background features flowing, abstract shapes in blue, green, and orange. The text is overlaid on this graphic.

2022 Air New Zealand Rarotonga Triathlon

WELCOME TO THE 2022 AIR NEW ZEALAND RAROTONGA TRIATHLON

Kia Orana and Welcome

The Edgewater Resort & Spa along with its supporting partners extend an invitation to all tri athletes from around the world to join us in the Cook Islands for this fantastic event.

While the main sporting event is the triathlon (1500/41/10) there is also an ocean swim (800m) and a cycle race (31km). The events have been popular with first timers, long course specialists, ITU age group representatives and a few ITU Elites. If you are looking for a different sort of race, this is one that most club level and age group competitors will enjoy. This race is high in enjoyment and with the opportunity to sample the best of Polynesia – its islands and its laid back lifestyle. The social activities which have been organised for competitors and supporters ensure that your trip to the Cook Islands will be unforgettable for everyone.

The Edgewater Resort & Spa is proud to have had a long history of being associated with this great event and through your bookings, we are able to continue with helping the code to develop Sports in the Cook Islands, especially at the junior level. Like our other partners, your participation means we can all help to grow a healthier nation through sports participation.
